

Note Taking and Citation Lesson

Conferencing Notes

Lauren – seems to be doing fine. Fragments were circled and she seemed confident.

Joey - looked good. He was working with Aiden, so they were both distracted, but it doesn't seem to have bothered Joey.

Aiden – seemed to be relying on Joey for the answers. I don't think he was listening during the demonstration.

Sarah – looked like she was struggling a bit. She had crossed out several mistakes and looked puzzled. Extra attention here?

Rudy – I don't think he got it. We'll need to work on it one-on-one.

Steven – looked good.
