Final Project Checklist

Your final project has two parts, what you **MAKE** and what you **WRITE**.

You **MAKE** something with your partner. Every group may be different.

___ Show or tell **at least three** features that help the animal live in its environment

___ Be neat and organized

You **WRITE** something on your own. This is a short report (3 paragraphs).

Each report must include:

___ Name and description of your animal

___ Kind of environment it lives in

___ Kinds of features that help it live there

___ List of sources (author, title, page numbers)
