Note Taking and Paraphrasing

The ideas we've been learning about are not always easy. I want to make sure that you are comfortable and confident before we go on.

1. Do you think you could explain these topics to someone else? How would you do it?

2. What was your favorite example or activity? Would you have liked to have more examples and/or practice?

3. What is your next step in this research project? Do you feel ready? Why or why not?
